

Our Seasonal Action Leadership Teams – SALT – will be comprised of:

- A small group of 6-8 people coming together to study the upcoming season’s scripture to:
 - Identify a common thread and develop a theme to center us for the season.
 - To imagine what our ministry and mission will look like during that season woven together by that thread.
- Each season is 6-8 weeks in length.
 - We’ll chart a course for the season’s shared worship, fellowship, study, and service.

The time commitment is biggest up front:

- A 3-4 hour small group time of Bible study and planning with our pastors, with each team then determining how they want to accomplish any further follow through.
- Our SALT will partner with the following to ensure we’re working together toward our shared mission:
 - Children’s Ministry
 - Youth Ministry
 - Outreach Team
 - Property Team

Our biggest hope for this experimental model of ministry is to engage *more* people in *deeper* ways for the *most* impact. This engagement of our faith is **discipleship**. That’s who we’re called to be: Disciples of Christ.

SEASON	DATES	SPECIAL DAYS	MEETING (approx.)
Advent	November 27-December 31, 2017	Christmas	October 22 (actual)
